

This architectural section drawing illustrates a three-story building with a gabled roof. The structure is shown in a longitudinal section, revealing the internal layout and structural elements. The roof is gabled, with three chimneys visible on the ridge. The building is divided into three main levels, each with a flat floor slab. The ground floor features a central entrance with a double door and two windows. The first floor has a central staircase and two large windows. The second floor also has a central staircase and two large windows. The roof structure is shown with rafters and a central ridge. The drawing includes various annotations and dimensions, such as '1:50' for the scale, '1:10' for the roof section, and '1:20' for the ground floor. The drawing is a technical representation of the building's structure, showing the internal layout, stairs, and roof details.

This is a detailed architectural elevation drawing of a three-story building facade, oriented towards the east. The drawing is presented in a clean, line-art style with a scale of 1:50. The building features a symmetrical design with a central entrance on the ground floor, flanked by large windows. The upper floors consist of multiple window units, some of which are grouped together. The roof is gabled, and the drawing includes structural details such as the roofline, window frames, and door frames. The drawing is labeled with '1:50' and 'EAST' at the top and bottom corners, indicating the scale and orientation.

This architectural section drawing illustrates a three-story building with a gabled roof. The structure is symmetrical around a central vertical axis. The ground floor features a central entrance area with a staircase leading to the upper floors. The second and third floors are divided into rooms, with a central staircase connecting them. The roof is gabled, and the building is supported by a foundation. The drawing includes various dimensions and labels, such as '1000 x 1000' for window openings and '1000 x 1000' for floor areas. The overall design is modern and functional.
